SILVER MUSE<sup>SM</sup>

*Simply Divine*

## BUONGIORNO E BENVENUTI

Ever since Silversea's early days, our principles have been rooted by our heritage. When my father Antonio, launched our first ship over 20 years ago, he advised me to keep our family values and traditions close to my heart and to not be swayed by ephemeral trends. In the ever-expanding market, it is an honour to say that it has been precisely that counsel that I have followed and that has allowed us to grow to what the company represents today: a recognised leader in luxury travel.

Therefore, it is with great excitement that I introduce our newest ship, Silver Muse. Thus named, she is a divine ship; an inspirational work of art of the highest order. Boutique in size, she can visit ports that larger ships simply cannot access, yet retains an intimate, cosy, home away from home feeling. However – she is a proud ship too; large enough to offer the superlative quality of luxury service and options that we are famous for. She truly embodies our finest qualities and philosophies and is, by all definitions, the highest expression of Silversea excellence.

When it comes to cruise ships, I don't believe that bigger is better, but rather that the right size is better. A natural evolution of our sophisticated Italian design and world-renowned luxury, Silver Muse is not a total innovation, rather, we have listened to your valued feedback and modeled our newest flagship accordingly, tailor-making her to suit you.

We believe that Silver Muse is quite simply, our best ship ever. So welcome aboard. The best is yet to come ...

*Manfredi Lefebvre d'Ovidio*

# SMALLER IS SUPERIOR

## **SMALL IS INTIMATE**

We believe that every Silversea guest is a member of our Silversea extended family. With just 596 guests and an unrivalled space-to-guest ratio, we are proud in saying that *Silver Muse* is the smallest luxury ship being built today.

## **SMALL IS TAILOR MADE**

A butler for every suite anticipating your every need. Your in-suite bar stocked with your preferences. Your favourite table, reserved every night... our exceptional guest-to-staff ratio means that someone is always on hand to look after the details, so that you don't have to.

## **SMALLER GETS YOU CLOSER**

*Silver Muse's* size means that she can access secluded harbours that bigger ships simply can't, offering a unique perspective as you glide past iconic landmarks and stunning shores. Her superlative itineraries mean that she will visit both northern and southern Europe, north, central and South America, as well as cross the Atlantic in just four days, all in her maiden season.

# OUTDOOR LIVING

## THE BEST PLACE BETWEEN SEA AND SKY

We believe that as you leave the shore behind and sail off into the sunset, your journey has only just begun. Feel the gentle breeze whilst you marvel at the seaside view of the receding shore. Reflect on the day and contemplate pastures new to the gentle sound of waves breaking on the bow. From tranquil niches and observation areas to an unprecedented spacious pool deck, outdoor lounges and three open-air restaurants, our tailor-made outdoor spaces have been conceived so that time spent aboard is most definitely, time well spent.

“THE ART OF DINING WELL IS  
NO SLIGHT ART, THE PLEASURE  
NO SLIGHT PLEASURE.”

# Atlantide

*Inspired ingredients in a refined atmosphere*

Instantly recalling images of the sea, the seven daughters of Atlas were known for their superior beauty and playful nature, gaining them their status as eternal muses. Soak up the ambience and ponder panoramic seascapes gliding effortlessly by while you revel in the gourmet escapade that is Atlantide.

# Hot Rocks

One of the world's healthiest cuisines, Hot Rocks features stone cooking at its finest. Sourced from volcanic lava and placed in an oven to reach 400°C, Hot Rocks invites guests to cook their food directly at their table. Place your meat, fish or vegetables on the grill stone, and just cook to your own taste. With the stone cooking available in the evenings only, Hot Rocks becomes a daytime rotisserie and gourmet salad and burger bar.

# Regina Margherita

No one can deny the influence of the humble pizza on Italian dining, so we have decided to officialise its status and given it a refined home on board *Silver Muse*. *Sing me O Muse ...*

*Daughters of Zeus, goddesses of creativity and inspiration, the Muses were nymphs of both the celestial skies and the high seas. Nine deities, each personifying a different facet of the arts, transcended everyday life and devoted themselves to enhancing the inspiration of philosophers, poets, artists and musicians. Invoked at the beginning of great works such as *The Odyssey*, Homer appeals to the Muses to guide him with eloquence and clarity throughout his epic tale.*

*Silver Muse is our great work. Pure in design and rich in history, she evokes the very best of Silversea. She is our greatest source of inspiration.*

*She is Simply Divine.*
